## FIRE DEPARTMENT

The Fire Commission is working on the 2009 budget with the Fire Department. The Fire Department will be having an open house on Founder's Day. The county fair stand went well. Del Zuleger has moved to Shawano and is now a member of the Shawano Fire Department.

## **COUNTY REPORT**

County Supervisor Marlin Noffke was present and reported that the county board of health had received a complaint about Collin's property on the corner of N. Broadway and Townline in regards to animal neglect. Marlin had personally checked it out on September 10<sup>th</sup>. Marlin noted that there was adequate room for the owner's horses as well as plenty of food and water. The horses did not look overly malnourished. Marlin noted that the house is in extremely poor shape and the yard is unkept with a lot of junk present. If action is to be taken, the town board must first right a letter. If no responsive action is taken by the owner, then the county can step in. Marlin noted that he didn't think action by the board was necessarily appropriate without a written complaint by someone versus an anonymous phone call.

## **FIRE COMMISSION**

At the Fire Commission's last meeting, there was discussion over current unpaid bills, particularly that of Arrow's. One incident involved an individual who had filed bankruptcy and had no insurance. Barb Wickman is pursuing reimbursement from the state. There was also discussion over some department members speeding through the Village en route to the fire department. Some comments were made on the preliminary '09 budget. Lastly, discussion was held over boot racks in the fire department.

## **MISCELLANEOUS**

- Brief discussion was held over the current issue of adopting a town sign ordinance. Consensus was to draft a copy and present it at the October monthly meeting.
- Clerk reviewed September Primary and the new electronic tabulator.
- Norm Eger inquired about patching the town roads. Bob replied that he was hoping to wait until October to do them all at once.

## **ADJOURNMENT**

After no further business was presented, Jay Teschke made a motion to adjourn the meeting, seconded by Frank Heller. Meeting adjourned at 7:50 pm.
