FIRE COMMISSION

The Fire Commission's last meeting was May 21st. Election of officers was held. Mel Wendland stepped down because of conflict of interest being mayor. Past outstanding bills are getting paid now through the tax intercept program. Discussion was held over providing fire department coverage in the Town of Waukechon. Kevin Watermolen presented a letter from the Shawano Are Fire Department that stated that as of April 14th, the BAFD is requested to provide mutual aid on any fires that occur east of Hwy T. Kevin indicated that their impression is that BAFD will serve as first response department.

ROADS

Discussion was held on the road construction on Lakeview Road. Blacktopping won't occur until ATC is done with their project. North Broadway has not been started yet. Discussion was then held over seal coating and crack filling. Decision was made to utilize Bay Valley Seal Coating for the roads that qualify.

Discussion was held on Zachow Road. Roy brought up some comments made by Pat Rueckert regarding paving reclaimed blacktop at 17' versus 19', which happened on Valley Road. Jay commented about the possibility of moving the road over by getting easements instead of paying the high costs of moving the utility poles.

Comments were made about Matt Maroszek's spraying for brush control and how it's cheaper in the long run because of saving costs of brush control in the future.

MISCELLANEOUS

Frank Heller made a motion, seconded by Jay Teschke to approve the liquor license renewal for The Morgue.

Bob Tease from Veolia had offered to provide the town with a 4 yard dumpster free of charge to be placed in back of the town hall. Discussion was held over the problems that could occur because of folks dropping off non-collectable garbage such as tires and appliances. Consensus was had that if Veolia will pick up any non-collectables that are left at the town hall, a dumpster could be placed, otherwise not.

ADJOURNMENT

After no further business was presented, Jay Teschke made a motion to adjourn the meeting, seconded by Frank Heller. Meeting adjourned at 7:30 pm.
