ROADS

Bob stated that the Shawano County Highway Department has requested construction of a turn-around on Moonlight Lane for snowplowing purposes. Bob will request quotes.

The Methodist Church has requested that fill be placed in the ditch adjacent to their cemetery along S. Highline Road to allow for additional parking during funeral services. Frank and Jay stated they will both check it out to see if this is feasible without obstructing drainage.

Bob asked the board if the St. Paul Spyrnt Club should again perform the town ditch clean up. Frank made a motion to approve, seconded by Jay.

Quotes were provided by both Gerald Schmidt and Matt Maroszek (Complete Services) to provide the roadside ditch mowing for 2011. Jay made a motion to approve Complete Services for \$1750 per cutting, Frank seconded.

Bob brought up an issue regarding JENDA burying a rockpile on the shoulder of Townline Road during the road construction being completed. The rockpile was supposedly used as a property line marker and the question was raised as to whether a re-survey is necessary. Board members agreed that this is JENDA's problem.

ADJOURNMENT

After no further business was presented, motion was made by Jay and seconded by Frank to adjourn. Meeting was adjourned at 7:40pm.
